Welcome to St Thomas's Children's Ministry 2024-2025! We are very excited about our plans to come together as a ministry and as a community of "wondering believers". And we hope that many new and old friends will join us this year. Our mission in Children's Ministries remains the same: to give our children a safe, loving place to discover and experience the living and present God. We strive to give our children new and exciting ways to discover more about God and who God is calling to them to be.

- **Goals of St. Thomas's Children's Ministry:**

- To provide a comprehensive, collaborative multi-age program with a curriculum that is developmentally appropriate and easily available both online and in person. All of our curricula are intended to be multi-sensory, hands-on approaches to Christian formation. The children are introduced and enter into the religious language by: hearing the stories of God, wondering and responding to the stories, worship, prayer, Bible readings and music.
- To involve the whole family of the child in mutual ministry
- To be an active part of the overall St Thomas community and mission
- To partner with neighbor churches whenever possible

- **Regular Weekly Children's Worship:** Sunday School will meet in-person at St. Thomas's three or four Sundays a month, gathering at 10:00 a.m. for fellowship and a snack then beginning the lesson/worship at 10:15 a.m. Children in grades K to grade 6 are invited to participate. Seventh graders and up are invited to participate as junior leaders. If community health changes make it necessary, our program will be held virtually on Zoom and families will be notified of the change. Our main framework will be a worship schedule that mimics the liturgy of the Episcopal Church: greeting and opening prayer, liturgy of the word, response in the form of art and prayer, and feast and fellowship. This schedule may differ by age group or week depending on topics and activities.

- **Weaving God's Promises** will be the main curriculum used this year and activities will be chosen each week to match the needs and interests of our group.
- **Confirmation Class** will be offered to youth 12 years of age and up.

- **COVID Safety Guidelines:** We will continue to follow COVID-19 guidelines of the Center for Disease Control (CDC) and the Episcopal Church in Delaware to ensure our safety and well-being. Masks and hand sanitizer will be available at all times for those who need them. We will strive to limit times of sustained close contact between participants to reduce transmission risk. In addition, hand sanitizer will be available and used before and after snack-time. We ask that families who are experiencing symptoms that may indicate infection with COVID, please remain at home and request materials be mailed to you.
- **Family Church Sundays:** Every last Sunday of the month will be family Church Sunday. On these days, children will attend the full service with their families. On these days, families will be invited to fulfill service roles in the church. Training will be available as needed.
- **Bi-Monthly Family Fellowship Events:** Occasionally on Sunday morning but often on other days and times depending on the activity. Examples include Fall Festival, Family Movie Night, Holiday Cookie Exchange, a family trip to an orchard or bowling. Suggestions and offers to host an event are welcomed and encouraged.
- **Service Projects:** Kid and family friendly service projects 2-3 times per year such as collecting donations for a charity that supports children's health or education, serving at coffee hour, cleanup of different areas of church, making cards for parishioners not able to come to church, collecting supplies and assembling bags of supplies for Newark Empowerment Center.
- **Other Special Events:** Held about every other month, events may include a Back-to-School Party, Christmas Pageant, holiday party, Lenten Tween Lock-in, Easter Egg Hunt, and a parish-wide Pentecost Picnic.
- **Adult and Teen Volunteers Needed:** Our team needs volunteers to serve as lead teachers, classroom helpers, and special event hosts. Leading education and worship involves an average commitment of one-two Sundays a month and an hour or two of preparation the week you are the lead teacher. Leading a family fellowship event, service project or special event could involve one time or many times, depending on your interests and would of course, include helpers as needed. This ministry is an act of both giving and receiving. The children and youth teach and inspire us as much as we do them. Training is available for all positions. We are asking this year that as many people as possible be Safe Church trained. If you feel called to be a part of children's ministries in any way or have questions about volunteering, please speak to Belinda Young-Payne, Brandi McGough or Madeline Johnson.

## Proposed Children's Ministries Schedule for 2024-2025
