

Funerals at Saint Thomas's: A Celebration of Life and Hope

Funerals at Saint Thomas's are a sacred time to honor and celebrate the lives of those who have passed. In our church community, we offer support and guidance as you navigate this journey of remembrance and healing.

The Episcopal Church views funerals as a testament to the hope of resurrection and eternal life. Our services provide a space for reflection, comfort, and the shared faith that binds us together.

In this sacred space, we come together to support each other, remembering the departed with love and grace. Our clergy and pastoral care team are here to guide you through planning the service, ensuring it reflects the life and spirit of your loved one.

Our funeral liturgy is a moving blend of prayers, readings, and hymns that celebrate the deceased's life and our faith in the resurrection. The community's presence offers solace and strength during this time of grief.

Saint Thomas's is committed to offering a compassionate and inclusive environment, welcoming all to find peace and hope in the face of loss. For more information or to plan a service, please reach out to our office.
